Wilson and Peace with Honor?

Hughes with Roosevelt and War?

Roosevelt says we should hang our heads in shame because we are not at war with Germany in behalf of Belgium!

Roosevelt says that following the sinking of the Lusitania he would have foregone diplomacy and seized every ship in our ports flying the German Flag. That would have meant war!

Hughes Says He and Roosevelt are in Complete Accord!

Senator Fall, who has vast interests in Mexico and is Candidate Hughes' adviser as to Mexican Affairs, declares "a Hughes war would be preferable to a Wilson peace."

Read the published list of Heavy Subscribers to the Republican campaign fund, then look up the list of Americans with enormous interests in Mexico and learn why those who place the almighty dollar ahead of human life would not hesitate to plunge this country into an ignoble war of conquest

-would not stop at sacrificing thousands and thousands of American lives in their greed for oil and gold.

Look again at this list. Then you will see why the "Old Guard" appeals frantically for a protective tariff—

That breeder of strikes, of starvation wages, and of every panic that ever cursed this country—

And which made billions for organized wealth by putting honest competition out of business.

You will see why in sheer desperation and bereft of all decency the Republican "Old Guard" is capitalizing the lamentable incidents in Mexico and

Mr. Hughes "Would Name a STRONG Cabinet."

trying to discredit your President for sparing you the horrors that would come with intervention.

Read the list still again. Note the names of men heavily intrenched financially in the protective tariff system and in vicious special privilege.

Read and see why millions are being spent to reenact the Payne-Aldrich tariff -- to wipe out the Federal Reserve System—to repeal the Eight Hour law and other progressive laws-to undo the Wilson Record of unparalleled achievement.

Then understand why Candidate Hughes said in his Milwaukee speech: "The whole list of Democratic accomplishment must be wiped off the books for the good of the country."

The Lesson Is Plain: If You Want WAR, Vote for HUGHES!

If You Want Peace With Honor

VOTE FOR WILSON

and Continued Prosperity

The Tumult and the Shouting Die! It Is Up to You and Your Conscience!
